

A full-service, top 38 public accounting and consulting firm in the U.S., WithumSmith+Brown, PC can help you meet your accounting and auditing needs. Our Death Care Services Group understands the complex nature of your industry and as professionals who are at the top of our game, we can help put you and your business in a position of strength. With nearly 400 employees across 13 offices, we have the resources across all disciplines to serve you better. With vast numbers of changing laws, rules and regulations that are promulgated by the various states, it is crucial to work with a team you can trust. We have the experience, dedication and desire to see you reach your business goals.

### OUR COMMITMENT TO QUALITY

Over the past 35 years, our clients at WithumSmith+Brown have come to know that quality is inherent in all that we do. As a registered Firm with the Public Company Accounting Oversight Board, we have received a highly-sought after “no deficiencies” rating with regard to our SEC practice, an achievement bestowed to a minority of U.S. firms. Our Death Care Services Group is among the elite class of industry-focused experts whose high standards of practice in audit, accounting and quality control has set us apart. Our longstanding and ever-growing client base is a testament to our commitment to our client’s need for a proactive relationship, with quick responses, industry expertise and accessibility. Simply put, WS+B is there when you need us.

- Examinations by State Taxing Agencies
- Preparation of Application for Tax Exempt Status
- Conversions of Profit to Not-for-Profit Entities
- Management Advisory Services
- Preparation of all Required Federal and State Tax Filings, including Federal Form 990
- Audits of Pension Plans, including 401(k) Audits
- International Accounting and Auditing Services
- Forensic Accounting Services
- Multi-State Taxation

## INDUSTRY EXPERTISE

Our Death Care Services professionals are fully dedicated to serving the industry and remain committed to keeping our clients ahead of the curve and up-to-the-minute on the changes in laws and standards in the death care services industry. We provide timely and valuable information which enables you to make informed decisions when it comes to your business.

## GEOGRAPHIC REACH

With 13 offices in New Jersey, New York, Pennsylvania, Maryland, Florida and Colorado, WithumSmith+Brown delivers all the resources you can count on from a larger firm, but with the commitment, continuous partner involvement and personal accountability the industry has come to expect from a regional firm.

## PERSONALIZED SUPPORT

We recognize the need for familiar faces among our engagement team. We strive to provide you with the most personalized and knowledgeable support. Our Firm's stability and overall growth encourages first-rate talent to join WS+B and grow with us. Our clients benefit from the expertise and continuity of their engagement team and the rapport which develops in time from this crucial business relationship. If there is a question or concern you may have, our professionals are always available to offer the one-on-one support you need.
