

### THE MATERIAL DIFFERENCE: WS+B CONSTRUCTION SERVICES TEAM

WithumSmith+Brown's Construction Services Team (CST) has been serving the construction industry, including contractors, subcontractors and suppliers to the construction industry, for over 35 years. We have become synonymous with teamwork and quality client service. It is our mission to put this hardworking group of professionals into positions of strength by providing expert accounting, tax, litigation and consulting services that go beyond your expectations.

## OUR BLUEPRINT FOR SUCCESS: BREADTH AND DEPTH OF EXPERIENCE

The CST is comprised of partners, managers and senior accountants —all selected for their experience and passion for the construction industry. They represent a range of disciplines —Accounting & Auditing, Tax, Litigation Support, Marketing and Insurance Services. Not only do we provide our construction industry clients —large and small— the most relevant, up-to-date information on the changing tax and accounting regulations, but we also constantly seek innovative ways to help construction clients increase profitability. We treat every client as a unique and individual relationship, providing services which include:

- Tax compliance and planning
- Accounting and auditing
- Job costing & internal control reviews
- Litigation support and forensic accounting
- Business valuations
- Succession and estate planning
- Insurance and investment reviews
- Benefits and benchmarking analysis
- Entity selection and corporate restructuring
- Reorganization services
- Software reviews and selection
- Cost segregation studies

## OUR FOUNDATION IN THE CONSTRUCTION COMMUNITY

WS+B knows the industry. The Construction Services Team is active in many industry organizations that are focused on educating, improving and protecting the construction community. WS+B supports the construction industry through Master Sponsorships and is active in many trade organizations including, the Builders League of South Jersey (BLSJ), Shore Builders Association of Central New Jersey (SBACNJ), Construction Financial Management Association (CFMA), Building Contractors Association of New Jersey (BCANJ), New Jersey Subcontractors Association, Inc. (NJSA), Utility & Transportation Contractors Association (UTCA), NJ Alliance for Action and Monmouth-Ocean Development Council (MODC). Through these organizations, the CST maintains a constant understanding and respect for the guiding principles that shape the construction industry.
