## Firm-Wide Workflow Automation

Whether your goal is to grow your practice, improve your profit margins, or achieve a better quality of life for your staff, XCM can help. It's the only web-based application that automates and standardizes processes for completing work across the firm, providing instant access to real-time task and work management information. As a result, you save countless unbillable hours spent searching through paperwork, updating log sheets, and managing work through email. Firms using XCM have reported significant time savings at all levels across the firm. So, the only question you need to ask yourself is how will you spend the time you save?

*"WS+B focuses on its high employee satisfaction with the time it saves using XCM, showcasing why this 440+ person firm is one of the Best Firms to Work For!"*
