- Financial examinations and examination preparation services
- Market conduct reviews and evaluations
- Demutualization and due diligence for sales/acquisitions
- Intermediary with state insurance departments
- Management advisory services
- Corporate governance, enterprise risk management and internal control
- IT, data security and technology risk consulting
- Business investigations and fraud
- Business Investigations/Dispute Resolution
- Business valuations
- Forensic fraud engagements
- SOC Audits
- Internal audit outsourcing and co-sourcing
- Tax planning & compliance
- Pension & employee benefit plan audits and consulting
- Assisting clients with new lines of business and/or licensure applications
- Strategic positioning services

## OUR EXPERIENCE

Our insurance professionals have experience in every type of insurance segment in the market, including:

- Property and Casualty (Stock and Mutual)
- Health
- Reinsurers
- MGAs
- Pool and Associations
- Joint Insurance Funds
- Surety
- Title Insurer
- State Department of Insurance

## OUR REINSURANCE SERVICES

The professionals within WS+B's Reinsurance Consulting practice have a great deal of hands-on experience in this sector. We provide expert advice to insurance companies, reinsurers, law firms and state regulatory agencies on a broad range of reinsurance matters, which include but are not limited to:

- Reinsurance contract and program reviews
- Risk transfer analysis
- Reinsurance audits (accounting, underwriting, claims, forensic and operational)
- Best practice review for reinsurance administration
- Reinsurance internal control reviews
- Arbitration and litigation support as expert witnesses and consultants
- Regulatory compliance reviews for reinsurance (e.g., SSAP Nos. 61R and 62R)
- MGA and TPA reviews
